Draft ADA Transition Plan

The Montana Department of Transportation (MDT), in cooperation with the Federal Highway Administration (FHWA), has developed a Draft Transition Plan to document MDT's efforts towards compliance under Title II of the Americans with Disabilities Act (ADA). MDT has performed a self-evaluation of policies, practices, procedures, and physical assets relative to ADA requirements. The Transition Plan identifies ADA barriers and provides guidance to work toward making all MDT facilities fully accessible to all.

The Transition Plan applies to all facilities and right-of-way owned and maintained by MDT. Facilities include buildings such as office buildings, rest areas, scale sites, airports, and maintenance buildings. Examples of right-of-way features include elements such as curb ramps, sidewalks, crosswalks, medians, and accessible pedestrian signals.

Print copies of the Draft ADA Transition Plan may be viewed at the locations listed in the enclosure. An electronic version of this document may be viewed on MDT's website at the following link:

<http://www.mdt.mt.gov/business/contracting/civil/ada.shtml>

MDT's ADA Transition Plan is Available for Input

HELENA, Mont. - The Montana Department of Transportation would like to notify the public and seek comments on a Draft Americans with Disabilities Act (ADA) Transition Plan. The plan identifies ADA barriers and provides guidance to work toward making all MDT facilities fully accessible to all.

The Transition Plan applies to all facilities and right-of-way owned and maintained by MDT. Examples of facilities include office buildings, rest areas, scale sites, airports, and maintenance buildings. Examples of right-of-way features include curb ramps, sidewalks, crosswalks, medians, and accessible pedestrian signals.

Print copies of the Draft ADA Transition Plan may be viewed at local libraries and MDT district offices. An electronic version of this document may be viewed on MDT's website at <http://www.mdt.mt.gov/business/contracting/civil/ada.shtml>.

Written comments should be directed to MDT's Project Manager, Janet Kenny, at the following address the Montana Department of Transportation, PO Box 200507, Helena, MT 59620-0507 or [jakenny@mt.gov](mailto:jakenny@mt.gov). Comments may also be made on MDT's website. The deadline for comments is Friday, August 10, 2012.
