

Montana Transportation Alternatives Program

Bike/Ped Path II Hwy 93 – Kalispell

TA 6799(50)
UPN 9451000

Project scope: 0.2 miles of new Americans with Disabilities Act (ADA) compliant shared-use path along US Highway 93 in Kalispell. The project filled in a gap in the existing shared-use path system and creates a safe and convenient link between neighborhoods and commercial development in the area. The project includes: 10-ft wide asphalt shared-use path, safety rail, and revegetation.
