

Montana Transportation Alternatives Program

Elem School Bike Ped - Bozeman

TA 1299(38)
UPN 8688000

Project scope: Transportation improvements near 5 elementary/middle schools in Bozeman including upgrading 12 sidewalk ramps to ADA standards, 1,500-ft of multi-use asphalt path, bicycle racks and concrete pads, and a rectangular rapid flashing beacon, new curb and gutter, drainage, signing, and revegetation. This project provided safe routes from residential areas to schools, ADA compliant sidewalks, safety enhancements, and bicycle parking.

Consulting Engineer: Gaston Engineering & Surveying
