Fairgrounds Rd Path - Hamilton

TA 41(77)

UPN 9149000

Project scope: This project provided lighting for the shared-use path on Fairground Road Path between Old Corvallis Road and Kurtz Lane. Also, 1,200' of new ADA compliant shared-use path was constructed on the south side of Fairgrounds Road between Old Corvallis Road and North Daly Avenue. The shared-use path is 8' wide and constructed with a concrete surface. The purpose of the project is to extend the existing shared-use path and provide nighttime safety for pedestrian and bicyclists using the paths along both sides of Fairgrounds Road between Old Corvallis Road and Kurtz Lane.
