

Montana Transportation Alternatives Program West Bank Trail Improvements – Great Falls TA 5299(122) UPN 8695000

Project scope: 1,129-ft of new multi-use path in West Bank Park in Great Falls. The project replaced a 5-ft sidewalk which was one of the last sections of the River's Edge Trail to be updated to current multi-use path standards. The project included new concrete multi-use path, sidewalk connections, ADA ramps, striping, revegetation, and trees.

Consulting Engineer: TD&H Engineering
