**To register, please visit:** [bit.ly/bsbfopenhouse](https://bit.ly/bsbfopenhouse)

## BIGFORK FRIENDS & NEIGHBORS,

The Montana Department of Transportation (MDT) is preparing for the reconstruction of the Bridge Street Bridge in 2024. In anticipation of this project, MDT is eager to discuss our plans for the bridge with the community and to hear your thoughts, ideas, and questions about this reconstruction.

The new bridge will be structurally similar to the existing structure at the request of the community in earlier public conversations. The approved design for the new bridge will honor the historic structure with a matching steel truss shape, a single travel lane, and walkway.

We welcome you to an open house for the Bridge Street – Bigfork project. We will be hosting two sessions to best accommodate the community's preference for meeting in-person or virtually. The same information will be shared at both meetings.

## MEET OUR TEAM

It is our goal to ensure that the Bigfork village is well-informed throughout the planning and execution of this project. If you would like to receive regular updates on this project, or ask questions anytime, please contact us using the information below. We're happy to help.

## CONTACT US

 **EMAIL** Amy Aiello [amy@bigskypublicrelations.com](mailto:amy@bigskypublicrelations.com)

 **CALL THE PROJECT HOTLINE:** (406) 207-4484
