Montana Relay at 711

## Classroom Information

- Hands-on activities to become familiar with all types of car seats and seat belt systems
- Learn which car seat systems are appropriate for different age & weight of children and how to correctly install them
- Optimal instructor-participant ratio for maximum learning

## Course highlights

- Reference manual to take home
- 20-32-hour course with intermittent written tests
- Hands-on experience installing car seats
- Participate in a real community car seat checkup event!

## Become a certified child passenger safety technician.

Use your new skills to teach parents and caregivers about proper car seat safety for their children.

## Make a difference...

Help ensure Montana's little ones are safer while traveling.

Planners and Presenters disclose no conflict of interest relevant to this educational activity.

## Who should attend?
