

## APPENDIX C

# MONTANA WILDLIFE & TRANSPORTATION PARTNERSHIP PROJECT PROGRAM

## PROJECT APPLICATION ATTACHMENTS

*These attachments are part of the application and are required for both less and more complex projects as described above, unless otherwise noted below.*

### I. APPLICATION INFORMATION

- List of immediately adjacent and directly impacted landowners, addresses and contact information from MT Cadastral.

### II. PROJECT INFORMATION

- Map (one or more) that includes:
  - Extent of project, including context (relation to major landmarks or towns), county boundaries, etc.
  - Mile markers
  - Indication of public and private property
  - Conservation easements

### III. NEEDS and BENEFITS

#### A. Describe the PURPOSE and NEED of your project.

No attachments needed.

#### B. Describe and provide the DATA that support your project purpose and need.

- List and provide citations for relevant sources, references, or data summaries and analyses that were referred to within Section III.B. of the application.
- Provide data summaries and analyses for the broadscale and fine-scale data (referenced or original) that specifically support your project purpose and need.

**C. Describe your PROJECT PROPOSAL. Include detailed description of the specific features and strategies proposed in your project.**

- Aerial photo of project site(s), with general sketches of proposed project features
  
- If available, any detailed sketches or plan views that help illustrate the project
  
- If available, any pre-project photographs that help illustrate the project

**D. Describe the expected BENEFITS of your project (safety/connectivity).**

- Any relevant sources, references, citations, or other documentation from sources referred to within Section III.D. of the application.

**IV. PROJECT IMPLEMENTATION**

**A. Describe the LANDOWNER and COMMUNITY involvement and support of your project.**

- Project endorsements or letters/statements of support, including entity and contact information
  
- Other documents indicating landowner and community involvement

**B. Describe the LAND PROTECTIONS and LAND USE on the properties adjacent to or directly affected by your project.**

- Relevant sources, references, or documents that are needed to indicate existing or pending land protections and land use in the area.
  
- Contact information for these sources as appropriate or available.

**C. Describe other PLANNED or COMPLEMENTARY efforts (public or private) that add value to your project.**

- Any relevant sources, references, or documents that are needed to indicate planned or complementary efforts that add value to the project.
  
- Contact information for these sources, as appropriate or available.

**D. What PARTNERSHIPS are in place in support of your project and what ROLE does each partner play in project implementation?**

- List project partners, affiliation, and contact information.

- Include any agreements, if relevant.

## **V. FUNDING**

- Download, complete and submit the Project Budget Worksheet shown in Appendix B for your cost estimate and funding contributions, sources, and status.
- Use an additional page if needed to describe process and timeline for pending or possible funding contributions. Include a list of additional funding partners, if needed, or other potential funding sources. Include affiliation, title, and contact information.

## **VI. PROJECT FEASIBILITY and OPPORTUNITY**

### **A. Describe input received from ENGINEERING OR TECHNICAL EXPERTS regarding the reasonable feasibility of your project proposal.**

- Aerial photo of project site(s) showing items described in VI.A of the application, to the extent known
- Documentation from and contact information for entity(ies)/personnel consulted
- Engineering evaluations/reports, if completed

### **B. Describe input received from WILDLIFE BIOLOGISTS, TRANSPORTATION ECOLOGISTS, or OTHER EXPERTS regarding the identified challenge, purpose and need, proposed solution, and expected benefits.**

- Documentation from and contact information for entity(ies)/personnel consulted

### **C. Describe your proposal for CONSTRUCTION of your project.**

- Contact information for entity(ies)/personnel identified in Section VI.C of the application
- Additional supporting agreements, estimates, or other documentation, as available

**D. Describe your proposal for POST-CONSTRUCTION MONITORING of your project effectiveness and benefit**

- Contact information for entity(ies)/personnel identified in Section VI.D of the application
  
- Additional supporting agreements, estimates, or other documentation, as available

**E. Describe your proposal for SHORT AND LONG-TERM MAINTENANCE and OPERATION of the proposed infrastructure and features associated with your project**

- Contact information for entity(ies)/personnel identified in Section VI.E of the application
  
- Additional supporting agreements, estimates, or other documentation, as available
