

INVITATION FOR BIDS
LETTING OF JANUARY 15, 2026

Bids on the following projects will be received by the Montana Department of Transportation, Construction Contracting Section, until 9:00 a.m. on JANUARY 15, 2026. All bids will then be reviewed for correctness and then publicly read in the Department's assigned room.

Bid proposals, plans, cross-sections, dirt runs & erosion control plans, if available, and full instructions to bidders may be obtained from the Construction Contracting Section's website: <http://www.mdt.mt.gov/business/contracting> under the "Bid Package" link. Additional bid letting information is also available on this website.

Persons or firms desiring to qualify or bid on highway construction on the basis of a joint venture must declare their intention by executing a "Declaration of Joint Venture and Power of Attorney." Joint Venture affidavits must be included with the Bid Proposal.

Any contract entered into pursuant to this advertisement is subject to all appropriate state and federal civil rights laws. The prime and subcontractors are required to pay the wage rates set out in the bid proposal.

NOTICE TO BIDDERS

The following projects are funded in whole or in part by funds received from the Federal Highway Administration (FHWA), and their construction is wholly contingent on the state's continued receipt of those federal funds. If the federal funds are reduced or not received, the Department may choose to terminate any or all of the contracts for convenience under the provisions of Subsection 108.10. Any bidder on these projects, by submitting its bid or bids, understands and accepts the possibility of the contracts being terminated in the event federal funds are reduced or not available and by submitting any bid, each bidder waives any claims for costs or damages other than as specifically allowed by Subsection 108.10.2. In particular, bidders understand and accept that no payment will be allowed for any claimed anticipated profit for work not performed.

MDT will not discriminate on the basis of race, color, national origin or sex in the award, performance or administration of any MDT contract or in the administration of its DBE program (49 CFR Part 26). MDT attempts to provide reasonable accommodations for any known disability that may interfere with a person participating in any service, program or activity of the department. Alternate accessible formats of this document will be provided upon request. If reasonable accommodation is needed to participate in MDT bid lettings, call the Civil Rights Bureau at 406-444-6331 or TTY 406-444-7696 [TTY 1-800-335-7592 (toll free)].

Contractor Registration

Effective July 1, 1996, Montana law requires all contractors to register with the Montana Department of Labor. On Federal-aid projects, contractors must register prior to executing a contract. On State-funded projects, bidders must be registered prior to submitting a bid. For information regarding this requirement, contact the Department of Labor at 1-406-444-7734 or TTY 1-406-444-5549
