Meeting ID: 840 8860 5949

Password: 401672

Dial by Telephone +1 646 558 8656 or +1 406 444 9999

**Purpose:** Review beta test responses, determine next steps to make changes to tool and documents, and develop plan for roll out.

### **Objectives:**

- Review and understand beta test responses
- Determine approach and assign tasks for revising tool and associated documents
- Develop plan for public roll out of the tool

### **Invitees:**

- D&I Work Group: Andrew Jakes (MSWP), Liz Fairbank (MSWP), Gabe Priebe (MDT), Paul Sturm (MDT), Brian Andersen (MDT), Adam Messer (FWP), Justin Gude (FWP)
- Planning and Implementation Team (PIT Crew): Deb Wambach (MDT), Nick Clarke (MSWP), Brooke Shifrin (MSWP)

### **Agenda:**

1. Introduction
2. Review beta testing comments
3. Determine next steps and assign tasks to make changes to tool and associated documentation
4. Develop plan for roll out
  - a. Draft plan for SC review
6. Next Meeting
  - a. Does group need to meet sooner than next scheduled meeting **July 28th**?
  - b. What does the group want to accomplish at the **next** meeting?
  - c. What is the group's homework between now and **next** meeting? Will that be accomplished individually, in small groups, or some other way?

Outcome: Agree on next steps and agenda for next meeting

7. Close by 1:00 pm
