    b. Communication Plan – August Draft
        i. August 2023 Draft Word version on Teams
            (1) Review edited communication and schedule milestones through November 2023 (next application cycle)
            (2) Revise as desired and finalize August 2023 Communication Plan
            (3) Internal use only - Plan to update after start of each current application cycle (next up November 2023)
    c. *Upcoming* - Sept 27, 2023 - Press release (FWP) - Fall 2023 cycle alert (Nov 1 – Nov 30, 2023)
    d. *Upcoming* - Nov 1, 2023 - Press release (MDT) – November 2023 application cycle open

3. Application Q&A Webinar - September 19th 4-6 pm (60 minutes)
    a. Suggested: Walk through each section of the Application and overview what type and extent of information is desired for each answer. Allow Q&A after each section specific to that section. Any remaining time can be left for general or process oriented Q&A
        i. Start with SA and DK slides from last Program webinar for content – on Teams
        ii. Use the Detailed Application Guidance and Selection Criteria for your talking points – keep it brief but informative
        iii. Show audience the Application Outline on screen
        iv. This will be dry but detailed and is intended to allow prospective applicants to ask specific questions about the application and as related to their project proposal, if applicable.
    b. FWP to schedule – include link on email to Contacts early September?
        i. FWP is expected to provide IT support during the webinar and record the webinar for posting on the website.
    c. Who is doing what?
    d. Who is all present to answer Q&A? What role does/can PIT Crew play?
        i. Are you going to allow participants to ask their own questions verbally, rather than typed in and filtered by the PIT Crew, as in last webinars?
    e. How long should webinar be scheduled for?
    f. Other?
4. Schedule of deliverables – Tom to keep updated and share as regular agenda item (Tom, 10 min)
