2025 National Child Passenger Safety Technician Certification Training Dates and Locations

Provided through a partnership with the Montana Department of Transportation

Classroom Information

- Hands-on activities to become familiar with all types of car seats and seat belt systems
- Learn which car seat systems are appropriate for different age, weight, & height of children and how to correctly install them
- Optimal instructor-participant ratio for maximum learning

Course Highlights

- Technician course guide to take home
- 32-36 hour course with 3 written quizzes, 4 skills evaluations
- Hands-on experience installing car seats
- Participate in a real community car seat checkup event!
- Controlled Courses are set for Identified Agencies or are Regulated by Lead Instructor

Become a Certified Child Passenger Safety Technician.

Use your new skills to teach parents and caregivers about proper car seat safety use for their children.

Make a Difference...

Help ensure Montana's little ones are safer while traveling.
