support (RPPM, TPF, HVR)

Informational briefs on Implementation and
Performance Measures

Primers on Intellectual Property and
Copyright

Coordinating participation in TRB
workshops and webinars

*What else?? Please share
additional accomplishments
that I missed...*

Task Force Focus

- Determining practices that support and enhance State DOTs efforts to implement research and evaluate impact of research
- Facilitating the dissemination and exchange of information and resources about research implementation and research performance measures
- Producing *useful* tools and resources
- Coordinating with other task forces to align efforts and avoid overlap

Let's Build This Together

RAC Implementation Task Force
Interest Form

The output will only be as good as what we put into it. This is why *we need your involvement!*

- What are your biggest challenges in implementing research or tracking results?
- What would be most helpful from this task force?
- Are you interested in contributing to early efforts?

Thank You!
