FOR IMMEDIATE RELEASE

Lisa Olmsted, Public Involvement Manager, (406) 294-9668, billingsbypass@dowl.com

Road Closure on Five Mile Road for Roundabout Paving on Billings Bypass

The Montana Department of Transportation (MDT) would like to provide the public with a closure and detour notice regarding the construction taking place on the Billings Bypass project. While the new roundabout at the intersection of Five Mile Road and Mary Street is being paved, Five Mile Road will be closed to through traffic from Dover Road to Bitterroot Drive from September 7 through the week of November 6, 2021. There will be local access only on Mary Street for residents and park users during this time. A detour will direct traffic to Dover Road and/or Bitterroot Drive until the completion of the paving of the new roundabout.

The roundabout and the rest of the Yellowstone River Bridge segment of the overall Billings Bypass is progressing on schedule.

Work zone safety reminder: Remember to manage the Three Ss of work zone safety: speed, space, and stress. Slow down when approaching all work zones. Follow posted speed limits, especially within construction zones, and try to maintain a consistent speed with the traffic flow. Lastly, don't resume normal speed until you see roadway signs indicating it's safe to do so.

For more information on the Billings Bypass project, to view the construction camera, and learn about the specific project segments, please visit:
