

CONSTRUCTION AHEAD

The Montana Department of Transportation (MDT) and Hollow Contracting, Inc. are rehabilitating 11 roads in the Butte area. These roads include Park Street, Farrell Street, Shields Avenue, Grand Avenue, Amherst Avenue, Elizabeth Warren Avenue, Western Boulevard, Four Mile Road, Electric Street and Utah Avenue. This work is anticipated to be completed in a single construction season.

Planned improvements include:

- Removing and replacing the top layer of pavement.
- Crack sealing the roadway.
- Replacing guardrail.
- Seal and cover (chip seal) the roadway.
- New pavement markings.

Each road has been evaluated and will receive select improvements from the list above.

Why is the project needed?

The purpose of this project is to extend the service life of these roads in a cost-effective manner by repairing and preserving the driving surfaces.

See reverse for more information.

What to expect during construction

Due to the nature of this project, traffic control will vary on a case-by-case basis. Construction is anticipated to begin this year and be completed in a single construction season.

Anticipated traffic control:

- Flaggers or traffic sensing smart signals may direct traffic.
- Reduced speed limits.
- Expect delays.
- On-street parking may be limited at times during construction.
- Wide loads may be restricted on a case-by-case basis for the roadways. Visit **511mt.net** for the most up-to-date information.
