

DEAR SHERIDAN COUNTY FRIENDS & NEIGHBORS,

Happy 2022! The year begins with good news for the Reserve-East project, which will improve Highway 258.

Originally constructed in 1947, Highway 258 east of Reserve has required increasing maintenance as the road's condition deteriorates over time. The Montana Department of Transportation (MDT) and Sheridan County recognized the need for improvements and have recently prioritized project construction to begin in the 2024 season, assuming funding availability.

This project starts just west of the MT 16/Highway 258 intersection, extends 10.5 miles eastward, and ends at the curve in the road by Dagmar. Once complete, this highway will have a smoother ride, two-foot shoulders, flattened slopes, better sight distance, and a straighter intersection at the junction of MT 16 and Highway 258.

JOIN US AT THE EAST RESERVE HIGHWAY OPEN HOUSE TO LEARN MORE!

To share more about these plans, MDT will be hosting an open house with the option to attend either virtually or in-person. Join us to learn more, ask questions, and give feedback directly to the project team.

Best wishes,
Sloane Stinson
Project Communications Manager
On behalf of the Montana Department of Transportation

RESERVE EAST

The same content will be provided during both sessions. No formal presentation will be made during the in-person event and attendees are welcome to drop by at any time. The virtual event will have a brief presentation followed by a Q&A session.
