

HIGGINS AVENUE BRIDGE

PEDESTRIAN MAP

The Montana Department of Transportation wants you to be safe when crossing the Higgins Avenue Bridge during construction. Please follow all posted signage when navigating pedestrian areas. Recommended crossing areas can be found on East Front Street and Fourth Street. Looking for another way around? Both Orange Street and the footbridge at Madison Street are great options for bike and pedestrian travel during construction on the Higgins Avenue Bridge.

Want to stay up to date on this project with text updates? Text* HIGGINS to 41411.

VISION ZERO
zero deaths · zero serious injuries
