

Lewistown ADA
— ACCESS FOR ALL —

MONTANA
Department of Transportation

OPEN HOUSE

**OCTOBER 9, 2024
4 TO 7 P.M.**

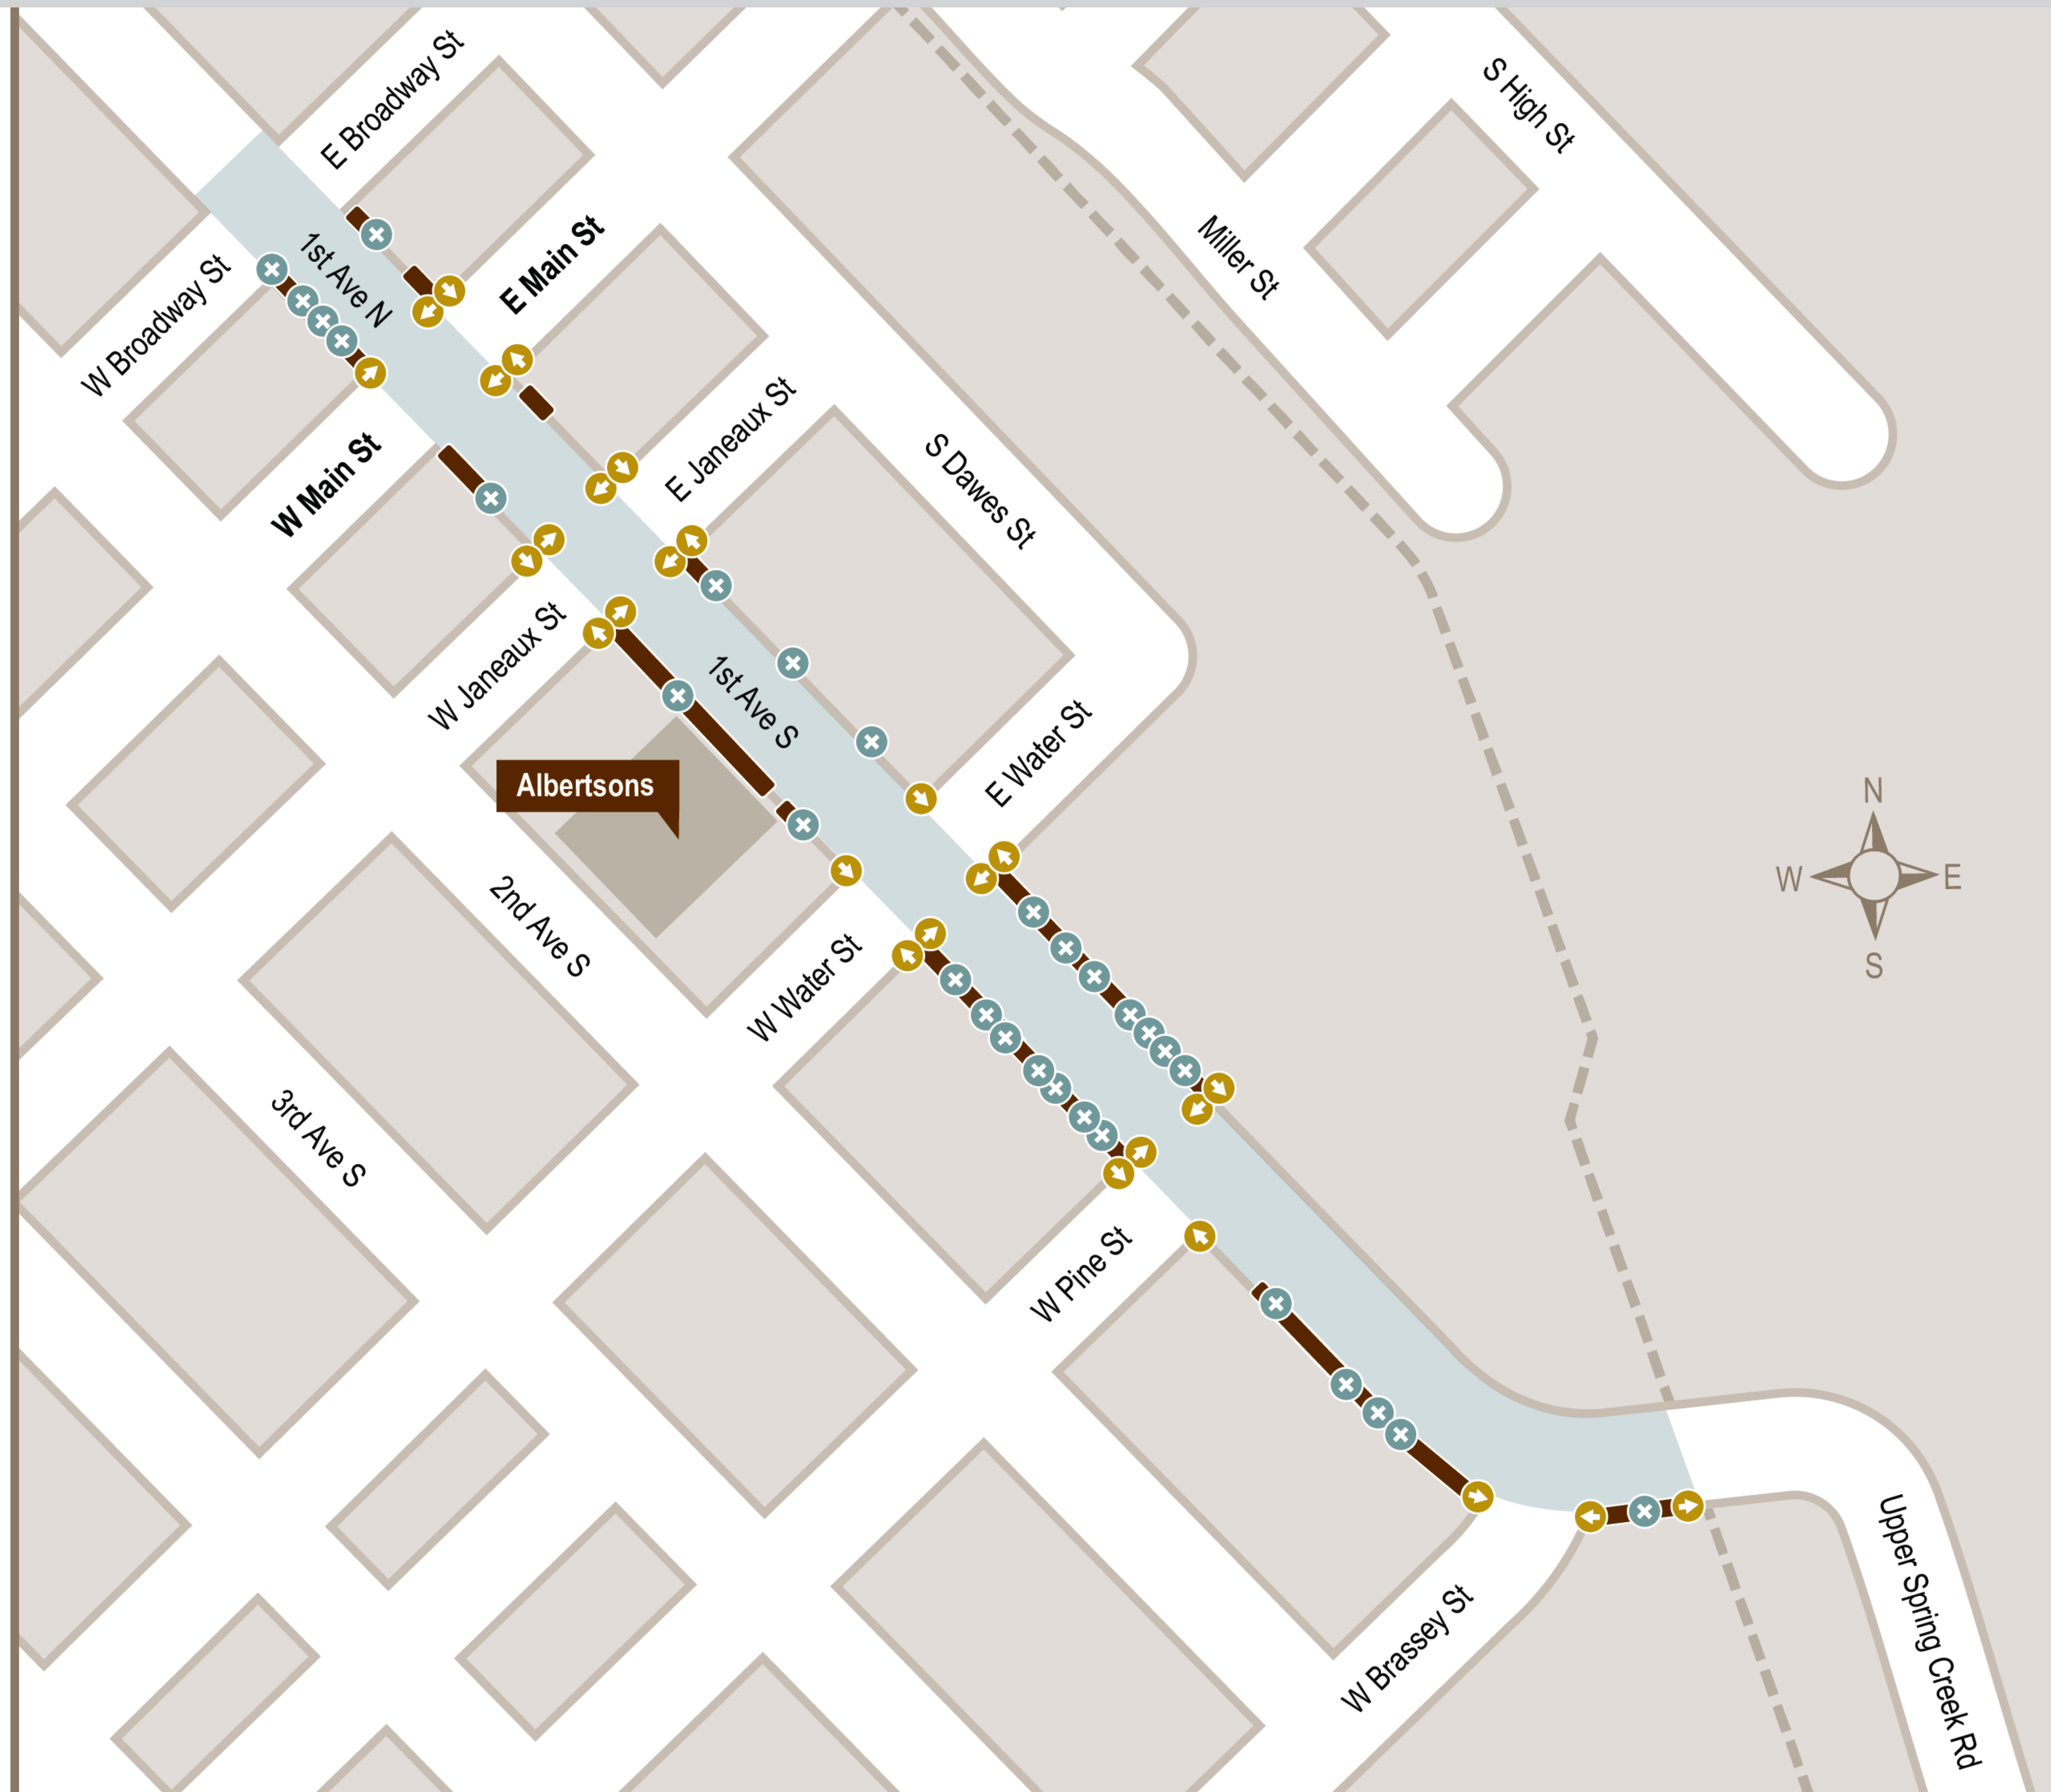

The Montana Department of Transportation (MDT) and partner Riverside Contracting Inc. are hosting an informational open house in Lewistown to share information about the Billings District Americans with Disabilities Act (ADA) Upgrades project.

Join us to learn about the project!

PROJECT MAP

ANTICIPATED IMPROVEMENTS:

-  Project Area
-  Sidewalk and/or Curb and Gutter Modifications
-  Approach Modifications
-  Shared-use Path
-  ADA Ramp

PROJECT OVERVIEW

MDT is partnering with Riverside Contracting Inc. to complete ADA upgrades along 1st Avenue North and 1st Avenue South from Broadway Street to Upper Spring Creek Road.

The Lewistown ADA Upgrades project is a part of MDT's effort to improve pedestrian facilities state-wide.

These improvements will bring sidewalk access into compliance with the revised ADA standards, allowing greater access for everyone.

This is a design-build project, which means DOWL and Riverside Contracting Inc. have partnered up to complete this project in a timely manner.

17 ADA Corner Ramps

26 Reconstructed Approaches

More than 11,000 square feet of New Sidewalk

29 Sign Replacements

Public Involvement Coordinator
DOWL

MONTANA ADA TRANSITION PLAN

ABOUT THE MONTANA ADA TRANSITION PLAN

In 2021, MDT updated its ADA Transition Plan, which provides an accessible transportation system within the state. Periodic updates of the plan are beneficial to ensure continuous improvement by incorporating new technologies, streamlined processes, and modernized approaches that best meet MDT's needs and operating conditions.

The plan aims to establish a consistent approach for accommodating disabled individuals by identifying methods to assist MDT in complying with ADA regulations and removing accessibility barriers throughout the state. The plan is not intended to identify specific projects or barrier locations.

WHAT TO EXPECT – PROJECT SCHEDULE

-  Construction began in late September and will continue through this fall, weather and other factors permitting.
-  Anticipated finish summer of 2025.
-  Design-build project template is designed to reduce the time required to finish these upgrades.
-  Community events are taken into consideration when developing the construction schedule.

WHY THESE CORRIDORS?

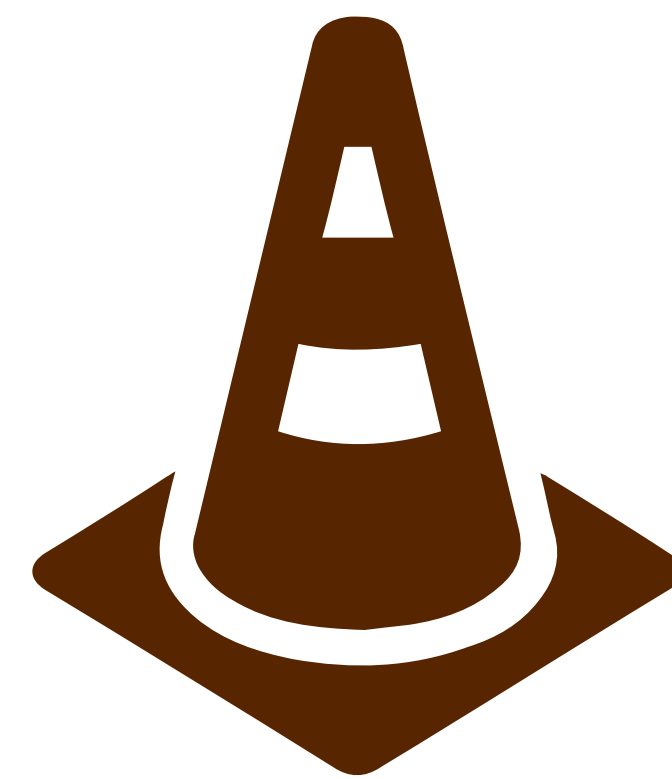

MONTANA ADA TRANSITION PLAN PROJECTS ARE SELECTED BASED ON A NUMBER OF FACTORS INCLUDING:

Degree of
Noncompliance

Number of
Noncompliant
Features

Safety

Proximity to Other
Construction
Projects

Public
Feedback

WHAT TO EXPECT

Access to businesses and residential properties will be maintained at all times.
