the qr code or visit the project website at:

mdt.mt.gov/pubinvolve/lincolnapplegate

A live Q&A will be held following the online presentation.

YOU'RE INVITED TO AN OPEN HOUSE

The Montana Department of Transportation (MDT) is hosting an in-person and virtual open house to share information about plans to construct a roundabout at the intersection of Lincoln Road and Applegate Drive in the Helena valley. The single-lane roundabout design plans include:

- 12-foot travel lanes and 4-foot shoulders
- An 18-foot-wide “truck apron,” which is a slightly raised surface that allows large trucks to make turns
- Pedestrian crossings
- LED lighting, curb, gutters, and no-maintenance landscaping in the center median
- A 15-mph operating speed entering the roundabout
