

PROJECT FUNDING/BUDGET

The estimated cost of the Reserve Drive: Hutton Ranch Road to Whitefish Stage Road project is \$42.2 million.

Project includes:

- Preliminary Engineering.
- Utility Relocation.
- Right-of-Way Acquisition.
- Construction Costs.
- Construction Engineering.

Project Funding:

- \$25 million in USDOT Multimodal Project Discretionary Grant (MPDG) Rural Surface Transportation federal grant funds.
- Montana's Surface Transportation Program – Primary (STPP) funds in the amount of \$17.2 million.

These funds are a combination of primarily federal funds allocated to Montana, supplemented with a smaller percentage of state funds raised from state fuel tax revenue which are required to receive the federal funding.
