

Coming Spring 2025*

Project Overview

The Montana Department of Transportation (MDT) plans to enhance roadway safety features and improve traffic flow on Zoo Drive, between Shiloh Road and South Frontage Road, through the *Zoo Drive Improvements* project. This project is currently in the design and planning stages. Construction is expected to begin in 2025.

Planned Improvements Include:

- Widening and reconfiguring Zoo Drive to a five-lane roadway with two lanes in each direction and a center turn lane.
- Widening and reconfiguring a section of Gabel Road between the Holiday gas station and Zoo Drive to a five-lane layout with four southbound lanes. This will include a second left turn lane from Gabel Road onto Zoo Drive, toward Interstate 90 (I-90).
- Intersection and traffic signal improvements.
- Pavement marking modifications.
- Median modifications.
- Additional connectivity for pedestrians.
- Americans with Disabilities Act (ADA) upgrades.
- Partially widening the eastbound I-90 ramps.
