

Spring 2025

2025-2029 Statewide Transportation Improvement Program

This is your opportunity to comment on Montana's transportation projects

The draft 2025-2029 Statewide Transportation Improvement Program (STIP) is now available for public comment. The STIP is a list of projects planned for Montana for the next five federal fiscal years. The STIP portrays how the Montana Department of Transportation (MDT) plans to obligate future funds to projects by the phase the project is entering (design, right-of-way, utility moves, construction). In some cases, projects will not cross into new phases in the timeframe of the STIP, so they won't be listed in the document but project development is still underway. The document includes aeronautic, rail crossing, highway, public transportation, and Federal Lands Highway Program projects.

Each year MDT receives many helpful comments and innovative ideas from the public on transportation-related issues. These comments are considered in the department's decision-making processes. MDT encourages comments anytime throughout the year as various transportation issues arise, but comments must be received by **June 15, 2025**, to be considered in the final STIP document.

The list in this issue of *Newsline* includes projects that will be awarded for construction during the timeframe of this STIP. Projects exceeding \$100,000 are shown on the map insert and can be accessed on the commenting app to the right.

Please visit the STIP webpage at <https://www.mdt.mt.gov/pubinvolve/stip.aspx> or request a hard copy of the STIP by contacting the MDT Project Analysis Bureau or by calling one of the numbers listed on the back page. Copies are also available at Montana public libraries.

Interactive Web Map Available

*Eric Belford, MCS
Division Administrator*

New MCS Division Administrator

Eric Belford was selected as MDT's new Motor Carrier Services (MCS) Division Administrator in November 2024. Prior to this role, Eric's career included 29 years in Law Enforcement with 22 years in the MCS Enforcement Bureau before retiring as a Major in 2018. During his MCS enforcement career, Eric worked at the Coultts and Butte Weigh Stations, as part of the Missoula and Butte Patrols, and as the District 4 Captain in eastern Montana and the Enforcement Major in Helena. From May 2018 through September 2024, Eric served as the MCS Commercial Vehicle Operations Bureau Chief before assuming the role of acting MCS Division Administrator. Eric is the current President of the National Conference of State Transportation Specialists (NCSTS) and the Vice Chair of the International Registration Plan (IRP). He also served 9 years on the International Fuel Tax Agreement (IFTA) Law Enforcement Committee and 3 years on the IRP Education Committee.

Eric has fond memories of all aspects of his career with MDT, including the various challenges. He particularly recalls the fun challenge of meeting eastern Montana's commercial vehicle safety needs while serving as the District 4 Captain during the Bakken oil field boom from 2011 through 2013. Working alongside the then-new MDT Glendive District Administrator, MCS was able to be creative to meet the needs for commercial vehicle safety during a stressful time in District 4.

Fun Facts: Outside his work at MDT, Eric is passionate about family and sports. He and his wife Sheryl have been married for 38 years. They have three children and two granddaughters, with whom they enjoy spending time in the Bitterroot and Havre areas. They also enjoy time away at their cabin west of Boulder. Eric also coached various High School, Junior High and Youth sports for over 20 years while serving as a Master referee for the Montana High School Association (MHSA) in Football and Basketball.

Contact Eric at 406-444-7312 or ebelford@mt.gov.

Celebrate National Bike and Roll to School Day: Join the Movement!

On May 7, 2025, schools across Montana are encouraged to take part in National Bike and Roll to School Day. This annual, nationwide event is aimed at promoting physical activity and developing safer habits when biking or rolling to school. It's a fun opportunity for communities to come together, encourage healthy habits and roadway safety, and support Montana's students.

Find more information and register your school to participate in this annual event at www.walkbiketoschool.org/registration/.

Is your school registered to participate in National Bike and Roll to School Day on May 7th? MDT wants to see your photos and videos from the event! Tag us on Facebook (@montanadot) or Instagram (@mtdot).

NEWSLINE SUBSCRIPTION UPDATES

Did you know? The *Newsline* is available by both mail (print) and email (electronically). Please contact Lauren Eichenfels, *Newsline* Editor, to add or update your subscription preferences.

- **By email:** leichenfels@mt.gov
- **By phone*:** 406-444-7614

**Please leave a voicemail with your full name, phone number and mailing address for print subscriptions, OR your name, phone number and the best time of day to reach you to create or update your subscription.*

Moving? Change of address? Please let us know! We are happy to update your current mailing address if you wish to continue receiving the *Newsline*.

NOTE: Due to State costs associated with printing and mailing, all returned copies of the *Newsline* will be removed from future mailings to that address and/or contact. New subscriptions may be requested at any time by contacting the *Newsline* Editor (see options above). We thank you in advance for your help in reducing waste and your assistance in providing updates to your subscription information as they occur.

Commenting on Other Projects

Throughout the year, MDT submits additional projects as amendments to the STIP for Transportation Commission approval. To view the list of highway projects MDT plans to present at the next Transportation Commission meeting, go to <https://www.mdt.mt.gov/pubinvolve/trans-comm/>.

If you prefer to receive the list by mail, call us toll-free at 800-714-7296 or TTY at 406-444-7696. Comments may be submitted online, emailed to mdtstip@mt.gov or mailed to the following address:
